DEFENDER

DEFENDER X-DYNAMIC HSE Ingenium 2,0 litre 4-cylinder 300HP Turbocharged Petrol PHEV (Automatic) All Wheel Drive

DEFENDER

EXTERIOR

EXTERIOR FEATURES

Colours	Tasman Blue	£895
Colour Finish	Gloss finish	
Roof Colour	Black contrast roof	
Glass	Privacy glass	
Wheels	20" Style 5098, Satin Dark Grey wheels	
Tyres	All-season tyres	
Spare Wheel Covers	Body-coloured Spare Wheel Cover	£430
		TOTAL £1,325

INTERIOR

INTERIOR FEATURES

Seat Configuration	5 seats	
Trim	Light Cloud perforated Windsor leather seats with Light Cloud interior	£0
Finishers	Light Cloud Finisher	
Cross car beam	Cross car beam in Light Cloud Powder Coat finish	
Interior upgrades	Extended Leather Upgrade	
Headlining	Light Cloud headlining	£0
		TOTAL £0

OPTIONS

ROOF TYPE		£0
Sliding panoramic roof	A full-size sliding panoramic tinted glass roof, designed to provide abundant light and space, plus high solar protection. An electric sunblind extends for extra shade or privacy.	
ROOF RAILS		£0
Black roof rails	Roof rails facilitate easy fitment of cross bars for roof carrying. Pre-set positioning points ensure to fit cross bars are fixed in optimum position for weight distribution and dynamics. Objects placed above the roof-mounted satellite antenna may reduce the quality of the signal received by the vehicle and could have a detrimental effect on the navigation and satellite radio systems, if fitted. Roof-Carrying is not permitted when using OCTA Mode.	
EXTERIOR LIGHTING		£0
Matrix LED headlights with signature DRL	The Matrix LED headlights with Signature DRL enable an Adaptive Driving Beam. By splitting the main beam into vertical strips, the adaptive beam maximises the number of high beam sections for ultimate visibility, while casting a shadow over oncoming traffic to help to prevent dazzling. The adaptive beam is also able to optimise the light distribution to suit the driving conditions of town, country, motorway or bad weather.	
SIGNATURE GRAPHIC		£0
Signature graphic	Defender's signature graphic demonstrating its strength and proportions.	
HEADLIGHT WASH		£210
Headlight power wash	Headlight power wash keeps your headlights clean, ensuring clear light in all conditions.	£210

OPTIONS

WINDSCREEN		£0
Heated windscreen	Offers a quick and convenient way to defrost or demist the windscreen.	
CONSOLE CONFIGURATION		£470
Front centre console refrigerator compartment	Defender's seat configuration options include a centre console with refrigerator compartment, so you can chill drinks on any journey.	£470
SEATING FUNCTIONALITY		£0
14-way heated and cooled electric memory front seats with 4-way manual headrests	Includes driver's/passenger powered adjustment of: - Cushion forward/backward - Cushion height - Cushion tilt - Power squab recline - Power squab bolster - 4-way lumbar Driver & Passenger seat memory + exterior mirrors with memory	
REAR SEAT OPTIONS		£0
40:20:40 folding rear seats with centre armrest	-	
INTERIOR FEATURES		£870
Air Quality Sensor	Monitors the air quality within the cabin and automatically recirculates it as necessary.	£60

OPTIONS

Cabin Air Purification Plus	Nanoe™ ionisation technology enhances the wellbeing of driver and passengers alike. Activate the PURIFY button and the filter will attract and capture fine particles from the outside air, such as PM2.5 and airborne allergens including dust and pollen.	£455
Three-zone Climate Control	Three-zone Climate Control has separate temperature controls for driver and the front passenger and rear seats. Either rear passenger can control the temperature, however, the temperature change will be made across the entire second row. The following features are standard with Three Zone Climate Control: Mist Sensing / Auto Demisting, Filter - Air / Purifier Pollen, Smog Sensing / Auto Recirculation, Climate Control Memory Pre-Set to Drivers' Last Temperature setting.	£355
STEERING WHEEL		£0
Leather steering wheel	A strong, stylish accompaniment to our sophisticated Windsor Leather or Windsor Leather with Kvadrat trims.	
HEATED STEERING		£0
Heated steering wheel	Heated steering wheel for the ultimate driver comfort in colder temperatures.	
GEARSHIFT		£0
Leather gearshift	A strong, stylish, leather-wrapped gearshift that adds the ideal finishing touch to our sophisticated Windsor Leather or Windsor Leather Kvadrat trims.	
DISPLAY		£1,080
Head-up Display	Presents key vehicle data, including speed, gear position and navigation directions, on the windscreen. It features crystal-clear, full-colour high-resolution graphics, enabling you to see all information with ease, including off-road driving information such as incline and camber angles.	£1,080

Interactive Driver Display	The 12,3" high-definition Interactive Driver Display can receive and project a vast amount of driving information, entertainment and active safety data including navigation, phone and media. Its high resolution ensures the utmost clarity and its refined processing engine delivers smooth moving pin-sharp graphics.	
----------------------------	--	--

SAFETY AND SECURITY	£0
---------------------	----

Spare wheel lock (3 spoke)	-	£0
----------------------------	---	----

SUSPENSION	£0
------------	----

Electronic Air Suspension	A comfortable and capable drive is ensured by electronic air suspension. Choose from an access height of 40mm below normal ride height, to an extended height of up to 75mm. For extreme off-road conditions, a further extended ride height of 70mm is available. Even across unsteady surfaces, it provides exceptional wheel articulation and poise.	
---------------------------	---	--

SPARE WHEELS	£0
--------------	----

20" full size spare wheel	Full size spare wheel with vehicle jack, wheel brace and toolkit stored under loadspace floor.	
---------------------------	--	--

DRIVER MONITOR	£0
----------------	----

Driver Attention Monitor	The Driver Attention Monitor helps keep your eyes on the road by alerting you when you appear distracted. A helpful nudge that could prevent an accident.	
--------------------------	---	--

TOTAL £2,630

ACCESSORIES

EXTERIOR PROTECTION		£844
Raised Air Intake	Ideal when driving in dusty or sandy conditions, the raised air intake helps protect the engine by taking in cleaner air from an elevated position, above the bonnet, and therefore reducing the amount of dust particles taken into the air filter. Manufactured from a high-quality, durable plastic with an Anthracite coloured finish, it secures to the vehicle's 'A' post and utilises the existing air intake vent fixings. PLEASE NOTE: The raised air intake does not extend the vehicle's wading capability beyond the standard wading depth of 900mm.	£844
CARRYING ACCESSORIES		£2,047
Black Deployable Roof Ladder	Exclusive to Defender, the deployable roof ladder is a key innovative and stylish interpretation of the traditional Defender accessory. Designed to enhance the vehicle's exterior style, it has been optimised to minimise wind noise and has a unique, two stage deployment to ensure a compact size when stowed. Mounting to fixings in the body side and roof, it maximise roof accessibility. The roof ladder is lockable when in the stowed position to ensure it is secure. The ladder has anodised aluminium steps with black, powder-coated aluminium sides, set in a high-quality, durable plastic with an Anthracite coloured finish frame. For additional durability the top and bottom steps are manufactured from steel and the rubber coated steps help to improve grip. The maximum weight capacity of the ladder is 150kg, sufficient for a person carrying equipment to the roof. Roof rails required for fitment. The ladder will fit to both sides of the vehicle, however if the vehicle is already fitted with the exterior side-mounted gear carrier, it can only fitted on left hand side. Compatible with all roof carrying accessories. Speak to retailer for availability.	£978
Gloss Black Exterior Side-Mounted Gear Carrier	Exclusive to Defender, the exterior side-mounted gear carrier provides easy to access storage on the outside the vehicle. Designed for aerodynamic performance and to minimise wind noise, it is material tested to ensure it can withstand harsh environments. It is also compatible with the radio antenna, however metallic objects inside the gear carrier may affect radio performance. This exterior carrier is lockable, waterproof and is perfect for carrying walking boots, wetsuits or other items that you may prefer not to carry inside your vehicle. It has a stay to hold the lid safely open when loading or unloading. An interior net ensures that contents remain secure when in transit and is contained when opening the lid. It also has a rubber stopper in the base to facilitate cleaning and drainage. Finished in Gloss Black with a Defender badge, it has a capacity of 24 litres with a maximum carrying capacity of 17kg.	£1,070
		TOTAL £2,891

WLTP certifies the production vehicle with factory-fit options. Post-registration Retailer-fit accessories are not within the WLTP certification process but may impact fuel consumption and CO₂ emissions figures achieved.

STANDARD FEATURES

CHARGING

Home charging cable	Public charging cable	AC/DC Charging
Timed Charging		

EXTERIOR FEATURES

Gloss Black Grille Bar	Graphite Atlas Matte Lettering	Satin Carpathian Grey front and rear skid pans
Body-coloured bonnet	Black exposed rear recovery eyes	Soft close tail door
Heated, electric, power fold door mirrors with approach lights and auto-dimming driver side	Electric Parking Brake (EPB)	Brake pad wear indicator
Emergency Brake Assist	Anti-lock Braking System (ABS)	Electronic Brake-force Distribution (EBD)
Electric windows with one-touch open/close and anti-trap	Heated rear window with timer	Rear wash wiper
Alpine lights	Side-hinged tail door	Standard tail door

EXTERIOR LIGHTING

Automatic headlights and rain sensing wipers	Automatic Headlight Levelling	Front fog lights
Puddle lights	Follow me home lighting	Centre high-mounted stop light
Darkened tail lights	Rear fog light(s)	

INTERIOR FEATURES

Windsor leather seats	Electrically adjustable steering column	Twin front cupholders
Sunvisors with illuminated vanity mirrors	Two-zone Climate Control	Footwell lights
Illuminated metal treadplates with defender script	Configurable Cabin Lighting	Glovebox storage
Rear centre headrest	Rear reading lights	Durable rubber cabin flooring
Carpet mats	Durable rubber loadspace flooring	Hook(s) in loadspace
Loadspace cover		

INFOTAINMENT

13.1" Touchscreen	Android Auto™ (subject to availability)	Apple CarPlay® (subject to availability)
Online Pack with Data Plan	Pivi Pro (Connected)	Meridian™ Surround Sound System
Digital Audio Broadcast (DAB) radio	12V power socket in loadspace	

CONVENIENCE

Auto-dimming interior rear view mirror	Remote	Wireless device charging
Electric cabin pre-conditioning	Keyless Entry	

TOWING

Trailer Stability Assist (TSA)

SAFETY AND SECURITY

Secure Tracker Pro	Front passenger seat ISOFIX	Intrusion sensor
Tyre Pressure Monitoring System (TPMS)	Locking wheel nuts	Acoustic Vehicle Alert System (AVAS)
Customer Configurable Autolock	Power operated child locks	Seat belt reminder
Rear ISOFIX	Push Button Start	Front airbags, with passenger seat occupant detector

TRANSMISSION AND DYNAMICS

Adaptive Dynamics	Terrain Response	All Wheel Drive (AWD)
Twin-speed transfer box (high/low range)	8-speed Automatic Transmission	Hill Launch Assist
Electric Power Assisted Steering (EPAS)	Dynamic Stability Control (DSC)	*ECO Mode
Low traction launch	Electronic Traction Control (ETC)	Roll Stability Control (RSC)
Cornering Brake Control (CBC)	Hill Descent Control (HDC)	Brake Hold

DRIVER ASSISTANCE

3D Surround Camera	360° Parking Aid	Adaptive Cruise Control
Traffic Sign Recognition and Adaptive Speed Limiter	Lane Keep Assist	Blind Spot Assist
Rear Collision Monitor	Rear Traffic Monitor	Emergency Braking

The information, specification and colours on this website may vary from market to market and are subject to change without notice. Some vehicles are shown with optional equipment that may not be available in all markets. Please contact your local retailer for local availability and prices. Fuel consumption figures: the results given here do not express or imply any guarantee of the fuel consumption of any particular vehicle with which this information may be supplied. Vehicles are not individually tested and there are inevitable differences between individual vehicles of the same model. The vehicle may also incorporate particular modifications. Vehicle is subject to availability and may vary from image shown. Vehicle price shown includes VAT, Road Fund Licence and First Registration Fee, actual price will be set by the Retailer. Promotions are available for a limited time at participating Retailers only, please contact your local Retailer to confirm vehicle availability, current prices and promotions.

††The figures provided are as a result of official manufacturer's tests in accordance with EU legislation with a fully charged battery. For comparison purposes only. Real world figures may differ. CO2, fuel economy, energy consumption and range figures may vary according to factors such as driving styles, environmental conditions, load, wheel fitment, accessories fitted, actual route and battery condition. Range figures are based upon production vehicle over a standardised route. CO2, eAER, and economy figures refer to GB models. The figures for Northern Ireland models may vary - please refer to the NI configurator.

Please note that the online valuation figures presented to you at this stage are calculated and provided by a third party and are not provided or validated by Jaguar Land Rover UK or Jaguar Land Rover UK franchise retailers. Valuations are guides only and we do not warrant that you will be able to sell, or buy a vehicle for the Valuation received. The actual sale or purchase price is dependent on a number of additional factors, including colour and condition of the vehicle, supply of similar cars within the open market, promotions on offer and location. You agree that you may therefore achieve a sale or purchase of a used vehicle at a level higher or lower than the Valuation following a full inspection. Valuations are provided on the basis of a single transaction between a domestic vehicle user buying or selling a vehicle in a private non-commercial capacity (typically known as an Average Private Sale price). Valuations are based on the information provided by you and accordingly you must provide complete and accurate information for a Valuation. The Valuations are based on assumptions for vehicles in a condition taking into account their age and normal usage, and are not adjusted to allow for any remedial work that has been undertaken to restore vehicles to an unusually high standard such as "concourse" show condition. This applies especially to vehicles that could be considered as "classic" models, or those that are collected by enthusiasts. The guide prices shown above are split into three categories with a brief description of each. Any Valuation given through this website is a valuation based upon what you tell us about the vehicle and not a price at which we are willing to buy the vehicle. Validation on any guide price shown will be received following an on-site inspection / full appraisal by a Jaguar Land Rover UK franchise retailer. For the avoidance of doubt, this Online Valuation is not a contractual offer to buy your vehicle. On-site Inspection / Full Appraisal: We appreciate that not all customers are experts in assessing the condition of their vehicle. Therefore, in order to confirm the valuation, we will need to see your vehicle at an official Jaguar or Land Rover UK retailer where we always carry out an on-site inspection / Appraisal of a vehicle where it will be fully and fairly appraised, including a road test before we can confirm the Online Valuation or offer to buy your vehicle. If we consider that its value is affected by any aspect of its history or condition, including any unusual feature or customisation, which was not apparent to us when the guide Online Valuation was provided, the price that we offer for it will differ from the Online Valuation.

◇◇Plug In Hybrid models are only available with 5 seats, due to battery geometry in loadspace.

◆◆Market dependent availability.

‡Max speed is 130mph (209km/h) when fitted with 22" wheels.

◇Max speed is 119mph (191km/h) when fitted with 20" wheels.

‡‡When combined with electric motor.

△ Includes a 75kg driver, full fluids and 90% fuel.

▲ Includes full fluids and 90% fuel.

◇Dynamic roof load allows for up to 118kg/168kg (90/110) when fitted with Off-road tyres and Expedition Roof Rack. Static roof load allows for up to 300kg.

◇Dry: Volume as measured with VDA-compliant solid blocks (200mm x 50mm x 100mm). Hard Top models: Includes underfloor stowage, excludes jack and tools.

◆Wet: Volume as measured by simulating the loadspace filled with liquid. Hard Top models: Includes underfloor stowage, excludes jack and tools.

▼ Defender V8 models have no dynamic roof loading capacity.

▽ With towing eye cover removed.

*Max speed is 155mph (250km/h) when fitted with 22" wheels. Max speed is 130mph (209km/h) when fitted with 20" wheels and All-Terrain Tyres or 99mph (159km/h) with 20" wheels and Advanced All-Terrain Tyres.

▼ ▼ 100kg (22" Wheels with All Season Tyres) / 168kg (20" Wheels with All-Terrain or Advanced All-Terrain Tyres). Roof load is 0kg when OCTA mode is activated.

Weights stated reflect vehicle standard specification. Accessories and other items fitted after the point of manufacture will affect payload. Ensure Gross Vehicle Weight and Maximum Axle Loads are not exceeded when loading the vehicle with accessories, occupants, fluids and fuels, and payload.

Optional features and their availability may differ by vehicle specification (model and powertrain), or require the installation of other features in order to be fitted. Please contact your local Retailer for more details, or configure your vehicle online.

WLTP certifies the production vehicle with factory-fit options. Post-registration Retailer-fit accessories are not within the WLTP certification process but may impact fuel consumption and CO2 emissions figures achieved.
