| Deployable Side Step Kit, LWB, 5 Seat                 | These smart, practical deployable side steps aid entry into and exit from the vehicle, as well as assisting access to the roof. Each side step features a brushed stainless steel finish, with laser etched Range Rover branding embossed into the black moulded rubber treadplate mat, and a black edged trim finish. Neatly stowed under the sills, the side steps automatically deploy as soon as the door is opened, or when activated by the key fob. They stow automatically when the door is closed. The deployable side steps are sensitive to obstructions and will not deploy in off-road or low range settings. Automatic mode can be overridden to allow access to the roof when the doors are closed. | £4,450       |
| Gloss Black Front Mudflaps                            | Mudflaps are a popular upgrade for reducing spray and ensuring paintwork is protected from debris and dirt whilst complementing the vehicle's exterior styling.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | £366         |
| Gloss Black Rear Mudflaps                             | Mudflaps are a popular upgrade for reducing spray and ensuring paintwork is protected from debris and dirt whilst complementing the vehicle's exterior styling.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | £314         |

| Antimicrobial Deep Sided Rubber Mats - RHD LWB 5 Seat | Patterned, rubber footwell mat set help provide protection from general dirt. Manufactured from a recycled synthetic rubber, which provides extra stiffness and durability, these mats feature bright accent Range Rover ingot branding.                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | £210         |
|                                                       |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | TOTAL £5,340 |

Accessories and Accessory Packs are fitted by the retailer, post-registration of the vehicle.

WLTP certifies the production vehicle with factory-fit options. Post-registration Retailer-fit accessories are not within the WLTP certification process but may impact fuel consumption and CO2 emissions figures achieved.

Weights stated reflect vehicle standard specification. Accessories and other items fitted after the point of manufacture will affect payload. Ensure Gross Vehicle Weight and Maximum Axle Loads are not exceeded when loading the vehicle with accessories, occupants, fluids and fuels, and payload.

Prices are subject to change; includes Retailer installation charges and taxes. Please consult your local authorised Retailer for full details.

# STANDARD FEATURES

EXTERIOR FEATURES

|                                                                                 |                                     |                                 |
|---------------------------------------------------------------------------------|-------------------------------------|---------------------------------|
| Heated, electric, power fold door mirrors with approach lights and auto-dimming | Laminated front and rear side glass | Solar attenuating windscreen    |
| Heated windscreen                                                               | Front fog lights                    | Animated Directional Indicators |
| Digital LED headlights with signature DRL and Image Projection                  | Heated washer jets                  | Engine Cover                    |

|------------------------------------------------------|-------|
| Maximum front/rear headroom with panoramic roof (mm) | 999 / |

| LEGROOM                         |               |
|---------------------------------|---------------|
| Maximum front/rear legroom (mm) | 1,014 / 1,220 |

| LOADSPACE CAPACITY                                        |          |
|-----------------------------------------------------------|----------|
| Height (mm)                                               | 845.8    |
| Width (mm)                                                | 1,444    |
| Width between arches (mm)                                 | 1,124    |
| Length behind first row (mm)                              | 2,165    |
| Maximum loadspace volume behind first row - Dry (litres)  | 2,176◇   |
| Maximum loadspace volume behind first row - Wet (litres)  | 2,727.6◆ |
| Length behind second row (mm)                             | 1,093    |
| Maximum loadspace volume behind second row - Dry (litres) | 818◇     |
| Maximum loadspace volume behind second row - Wet (litres) | 1,050◆   |

| GROUND CLEARANCE - STANDARD |       |
|-----------------------------|-------|
| Ride height (mm)            | 209   |
| Approach Angle              | 26.1° |
| Departure Angle             | 24.5° |

| GROUND CLEARANCE - STANDARD |       |
|-----------------------------|-------|
| Ramp Angle                  | 19.0° |

| GROUND CLEARANCE - OFF ROAD |        |
|-----------------------------|--------|
| Ride height (mm)            | 283    |
| Approach Angle              | 34.7°* |
| Departure Angle             | 29.0°* |
| Ramp Angle                  | 23.4°* |

| WADING DEPTH              |     |
|---------------------------|-----|
| Maximum wading depth (mm) | 900 |

| TURNING CIRCLE                    |       |
|-----------------------------------|-------|
| Kerb-to-kerb (m)                  | 11.54 |
| Wall-to-wall (m)                  | 11.96 |
| Turns lock-to-lock (no. of turns) | 2.78  |

| PRODUCT SORTING           |     |
|---------------------------|-----|
| A. Acceleration (0-60mph) | 5.6 |
| A. CO2 (Low - High)       | 19  |

WLTP FUEL ECONOMY

|                                             |       |
|---------------------------------------------|-------|
| CO <sub>2</sub> Emissions (from) (g/km)     | 19    |
| Fuel Consumption (up to) (mpg)              | 342.6 |
| Energy Consumption Weighted (Wh/Km)         | 299.3 |
| WLTP All Electric Range (EAER) (mi) ††      | 69.6  |
| WLTP All Electric Range (EAER) City (mi) †† | 74.6  |

Pricing

|                          |           |

## ††VIEW WLTP FIGURES

††The figures provided are as a result of official manufacturer's tests in accordance with EU legislation with a fully charged battery. For comparison purposes only. Real world figures may differ. CO2, fuel economy, energy consumption and range figures may vary according to factors such as driving styles, environmental conditions, load, wheel fitment, accessories fitted, actual route and battery condition. Range figures are based upon production vehicle over a standardised route. CO2, eAER, and economy figures refer to GB models. The figures for Northern Ireland models may vary - please refer to the NI configurator.

△ Includes a 75kg driver, full fluids and 90% fuel.

▲ Includes full fluids and 90% fuel.

◇ Dry: Volume as measured with VDA-compliant solid blocks (200mm x 50mm x 100mm).

◆ Wet: Volume as measured by simulating the loadspace filled with liquid.

‡ With Dynamic Launch engaged.

\* With tow eye cover removed.

Weights stated reflect vehicle standard specification. Accessories and other items fitted after the point of manufacture will affect payload. Ensure Gross Vehicle Weight and Maximum Axle Loads are not exceeded when loading the vehicle with accessories, occupants, fluids and fuels, and payload.
